The 1971 Linworth Staff

WESTERN RESERVE
HIGH SCHOOL

Berlin Center, Ohio

Editor's Note

To you, the students and residents of the Western Reserve School District, the staff and I are proud to present the 1971 Linworth.

The following pages reflect some of the significant changes and additions in school policies and activities this year - and there have even been changes made in our own Linworth. We trust that you will find these changes refreshing as you relive the memories captured here.

So we invite you to browse through these pages and remember ...

Modern Dance

Modern dance is communication thru movement! It is what you feel and how you feel. It can be as abstract and creative as the dancer wishes. It can be stately, precise, and symmetrical. There is no limit to what can be created or portrayed in contemporary dancing.

Dance is a pure art form! Movement is to the dancer as the paint brush is to the painter.

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.
